14 POINT PEOPLE'S AGENDA FOR NORTH CAROLINA

1. All Children Need High Quality, Well-Funded, Diverse Public Schools
2. Livable Wages and Support for Low Income People
3. Health Care for All
4. Redress Ugly Chapters in N.C.'s Racist History: The overthrow of the bi-racial, 1898 Wilmington government and the sterilization of poor, mainly Black women from 1947-1977
5. Expand and Improve Same Day Registration and Public Financing of Elections
6. Lift Every HBCU
7. Document and Redress 200 years of State Discrimination in Hiring and Contracting
8. Provide Affordable Housing and Stop Consumer Abuse
9. Abolish Racially-Biased Death Penalty and Mandatory Sentencing Laws; Reform Our Prisons
10. Promote Environmental Justice
11. Collective Bargaining for Public Employees and Worker Safety
12. Protect the Rights of Immigrants from Latin America and other Nations. NC must provide immigrants with health care, education, workers rights and protection from discrimination
13. Organize, Strengthen and Provide Funding for Our Civil Rights Enforcement Agencies and Statutes Now
14. Bring Our Troops Home from Iraq Now

**WE MUST
FIGHT AGAINST:**

- Re-segregation of our public schools & underfunding of our children's future
- Regressive tax cuts that try to balance the budget on the backs of the poor
- Tax breaks to the wealthy while undercutting good jobs and labor rights for working North Carolinians
- Undermining of Civil Rights laws and hurting our Latino brothers and sisters
- The building of more prisons to continue the cover-up of the injustices within our criminal justice system
- Redistricting that hurts minority and progressive representation in elected offices
