# LOGISTICS for HKonJ 2012

---

***What time do people arrive?*** Gather at Shaw University on South Street between Wilmington and Blount Streets at 9:30 AM on Saturday, Feb. 11. The march will begin at 10:30 AM to Jones Street outside the NC General Assembly. Please see map on the reverse side.

***Where do buses go to drop off and pick up?*** Please see the map on the reverse side for locations. Buses will drop off at the corner of South and Blount Street next to Shaw University. A bus captain will board the bus before anyone gets off and give information on where the bus will pick up after the march and rally. **DO NOT GET OFF THE BUS UNTIL A BUS CAPTAIN HAS BOARDED THE BUS AND GIVEN INSTRUCTIONS!** The buses will pick up next to the Jones Street rally. Vans can drop off at Shaw, but will park in the parking decks.

***Where do people park their cars as we gather at Shaw?*** Please see the attached map that shows parking, mostly in decks along Wilmington Street (city lots are free—you may have to take a ticket to enter but there is no charge).

***What should I wear?*** Make sure to wear layers to prepare for possible chilly weather. Feel free to wear anything representing your organization or school! Please refrain from wearing campaign apparel.

***What should I bring?*** Please bring any medications you need, organizational banners and signs, water and other drinks and any snacks you may want.

***Can we make signs representing our organization?*** YES! Please feel free to bring your organization's banner and march behind it. Signs will also be provided by HKonJ organizers on South Street at the beginning of the march. We do ask that signs not contain any vulgar or offensive language and that they focus on the issues addressed by the HKonJ 14-Point People's Agenda (see attached flyer). Persons carrying offensive or inappropriate signs will be asked to remove their signs. HKonJ is non-partisan, so **please do not bring candidate's campaign signs!**

***How far is the walk from Shaw to the Capitol?*** Roughly one mile. It goes by fast.

***Is there transportation for those that do not want to walk?*** Yes, there are trams that run continuously between South Street and Jones Street. They will also drop off at the parking decks.

**Is there seating?** Yes. There is seating only for seniors and people with disabilities at both locations.

**Will there be restroom facilities?** Yes. There will be porta-johns at both locations.

**Can we sign up march participants for our organization's contact list?** Yes. However all organizations that attain participant's information are asked to submit those lists to the HKonJ Steering Committee and the NC NAACP by emailing them to [hkonj6@gmail.com](mailto:hkonj6@gmail.com).

**Can people bring along their dogs to walk?** It is not recommended.

**After the event, does everyone walk back to where they parked?** Most people do walk back, but there are trams as well.
